

# CALL FOR SAFETY PIONEERS TO SHINE AT INDUSTRY'S SAFETY AWARDS

## NOMINATIONS NOW OPEN FOR THE UK OIL AND GAS INDUSTRY SAFETY AWARDS 2010

Oil & Gas UK, in conjunction with Step Change in Safety, is calling for entries to the first UK Oil and Gas Industry Safety Awards, which have been created to acknowledge significant contributions to safety by individuals and companies.

### Nominations are now open for:

- **Award for Safety Leadership**, which recognises a highly motivated individual who works tirelessly to ensure their team work in a safe and professional manner at all times;
- **Safety Representative of the Year**, which recognises an individual's active participation and effectiveness in regards to the promotion of and commitment to the safety agenda within the oil and gas industry;
- **Award for Preventative Safety Action**, which recognises an individual who, through their pro-active and vigilant behaviour, successfully intervened to prevent a potential incident;
- **Safety Award for the Most Promising Individual**, which recognises the enthusiasm of an individual who has demonstrated a keen interest in safety matters and actively embraced the safety culture in the oil and gas industry;
- **Award for Innovation in Safety – Company Award**, which recognises a company's innovative approach to safety through the implementation of a new process or technique;

In addition an award will be presented for **Services to Safety** – chosen by the Step Change in Safety Chairmen, which recognises an outstanding contribution by an individual towards the Step Change in Safety vision; to make the UK the safest place to work in the worldwide oil and gas industry.

### The Award

All winners will receive a specially commissioned UK Oil and Gas Industry Safety Medal by contemporary sculptor and medallist Marian Fountain at the Awards lunch on 21 April 2010 at the Marcliffe Hotel and Spa, Aberdeen.

### How to Enter
