

## All Members Meeting

Thursday 26<sup>th</sup> May 2022

### The Aberdeen Beach Ballroom

09.30 – 15.30 hours

(Doors open at 09.00 for coffee and registration)

#### Agenda

In the morning we will receive a UK market overview including fleet utilization and rates, followed by a presentation on collision risk management from a UK HSE perspective. After refreshments and a networking break, we will have an update from IMCA on industry trends and safety flashes followed by a look at marine safety in the offshore renewables sector before breaking for a buffet lunch.

In the afternoon we have a session looking at safety improvements in the loading/unloading and carriage of tubulars followed by an insightful presentation on resilience and how to cope with challenges effectively by psychotherapist and life coach Daniel Fryer.

All our members are, as always, extremely welcome to join us, especially seafarers and offshore workers, for whom the MSF continually strives to provide and improve an everyday safe working environment.

To attend please register in advance by providing your name and company details to:
