

# All Members Meeting

*7<sup>th</sup> November 2024*

**The Aberdeen Beach Ballroom**

*09:30 – 14:45 (approx.)*

(Doors open at 09:00 for coffee and registration)

All our members are, as always, extremely welcome to join us, especially seafarers and offshore installation workers, for whom the MSF continue to strive to provide, and improve, an everyday safe working environment.

As usual we have a packed Agenda with varied topics and insights. This time we have a very special keynote speaker. Chris Lemons, a North Sea deep sea diver who survived an alarming close to death experience during a routine dive . You may have seen the story in the news and in the documentary "Last Breath".

***Please note that due to expected demand this meeting is ticket only.***

To attend, please register with Eventbrite using the following link;
