

All Members Meeting

Thursday 6th November 2025

The Aberdeen Beach Ballroom

09:000 – 15:30

(Doors open at 08:30 for coffee and registration)

All our members are, as always, extremely welcome to join us, especially seafarers and offshore installation workers, for whom the MSF continue to strive to provide, and improve, an everyday safe working environment.

As usual we have a packed Agenda with varied topics and insights. This time, we are once again splitting the day into two sections.

The morning will be the traditional AMM with a focussed theme of Port and Quayside Operations.

The afternoon section will be themed as Safety in Renewables.

To attend, please register with Eventbrite using the following link;
